

The job to score

Process Controller Green Mill Tumbarumba Mill

To be extraordinary; driven by our people, powered by innovation and guided by our values.

Hyne is one of Australia's largest and most successful privately owned timber companies. Our commitment to staff offers top benefits, ability to work in state of the art centres where the corporate culture breathes innovation and teamwork with the ultimate goal of delivering superior customer service backed by outstanding products.

Tumbarumba Shire is situated on the western side of the Snowy Mountains in New South Wales, and boasts mountains, rivers and lakes, parks, forests and farms, and clean fresh air amongst its natural assets. The snow fields are approximately an hour away.

Hyne Tumbarumba is seeking to appoint a Process Controller who will report to the Shift Manager; this position will involve developing a sound working knowledge of sawing techniques, optimisation and scanning hardware and software, and machine centre analysis. A detailed Position Description is available upon request.

Job Specifications

- 12 hour shifts
- Must be able to work both day and night shift on a rotating roster.

Specific Accountabilities

- Ensure a high level of quality in all aspects of sawmilling – this includes sizing, log quality, pack conformance and machine performance
- Complete preventative maintenance tasks as per the calibration schedule
- Liaise with Green Mill Management and Saw Shop
- Calibrate and maintain USNR scanning and optimisation systems.

Education & Experience

- Experience in a sawmilling/manufacturing environment is desirable but not essential.
- Able to work autonomously and as part of a team.
- Demonstrated ability to learn quickly, use initiative and assimilate new ideas quickly.
- Computer skills - Minimum of intermediate general computer skills and ability to learn USNR Optimisation software.
- Positive attitude to engaging in troubleshooting and improvement ideas and techniques
- Ability to complete Certificate III in Sawmilling and Processing

Applications close Friday 30th July, 2010
